WHAT IT IS

Everything has a starting point – your life, your relationships, your education, your career. Sometimes we forget that faith has a starting point as well. For some of us, our faith journey began in childhood as a set of beliefs handed to us by a parent, teacher, or pastor. Maybe you developed a framework of faith based on personal experience. Or maybe you had no faith at all. Too often, a faith formed in childhood isn't strong enough to withstand the pressures of adult life.

But what if you could find a new starting point for faith?

Welcome to *Starting Point* – an 8-session small group conversation about faith. Whether you're new to faith, curious about God, or coming back to church after some time away, it's a place where your opinions and beliefs are valued, and no question is off limits.
